

Mrs. Kopp's March Class News 4 Year Olds Class

What an unusual month March has been!

We started off the month with a fun visit from Emily Pilla, an author and a St. Jerome graduate. Emily presented her book "The Life of a Weenie Wonder" featuring her dachshund, Skipper. This sweet book taught us a very important lesson about overcoming obstacles. We also got a chance to meet the real Skipper. The children loved him!

Religion:

During the month of March we continued to practice our prayers. We have also continued reading about Jesus and his life leading up to Easter. Our class attended Mass in the beginning of the month. As always the children were very attentive and well behaved. We really do have such an amazing class!

Reading:

This month we focused on the letters Y and N. The children have really impressed me with their letter names and sounds recognition this month!

Math:

During March we focused on numbers 13 and 14. We continued to practice math concepts through fun activities like number shamrock hide-and-seek and pattern making.

Colors:

The beginning of March was all about colors as we learned about rainbows. The children did amazing with matching color order on the rainbows they painted.

Shapes:

Our shape train craft helped us review so many shapes. Not only did we practice identifying and matching our shapes, but we also cut many shapes out with our scissors. During the beginning of March we also learned a fun and interactive new shape song.

Birthdays:

Happy birthday to our friend Ace who celebrates his birthday in March!
