

Mrs. Kopp's April Class News Little Lions Preschool

The building might be closed but Little Lions Preschool has been in full session with online learning.

During the month of April, we have continued practicing our important preschool skills such as religion, calendar, letter names and sounds, number recognition, counting, patterns, mazes, and art skills. I hope that the students continue to enjoy watching me teach them through the different videos.

Our preschool students also had a chance to practice those important fine-motor skills through coloring, tracing, writing, drawing, and cutting worksheets. I know we have some amazing little artists in our preschool who have been following along with my video art lessons. I love seeing your finished work!

This month we learned about Easter. We read stories about Jesus and why we celebrate Easter. The students listened to stories from our Bible about what happened to Jesus during this important time. We also listened to the song "1,2,3 Jesus is Alive". I have heard that quite a few of the students really enjoyed this catchy song.

We have also been learning about our new season - spring! The children listened to many stories about spring and learned the different signs to see that spring is coming. We learned the saying "April showers bring May flowers" as we continued our study of spring through the month of April.

I know this is a very unusual and difficult time for everyone. I appreciate the kind words and encouragement that I have received from our amazing preschool families. Please continue to stay in touch. I love seeing videos and pictures of my students continuing their preschool education. Please know that I miss everyone very much!

Happy Birthday to our friend Kerrighan in the 3 year old class who celebrated her birthday in April!

Important information:

The last day of preschool for the 3 year old class will be Thursday, June 4th

The last day of preschool for the 4 year old class will be Friday, June 5th
