

Dear Parents,

Hi, My name is Ileana Mohammed. I am excited to introduce myself as St. Jerome's Preschool teacher. In addition to being the proud mother of 3 kids and 1 wonderful grandchild, I also have over 19+ years of experience working with children of all ages. I studied early childhood education in New York and Pennsylvania. For the last 2 years I've had the wonderful pleasure of working at St Jerome's Little Lions Preschool. Prior to this I worked at St Joseph's Preschool in Jim Thorpe for 9 years. I have worked as an Assistant Group Supervisor of a daycare where I not only coordinated and planned out multi aged Preschool lesson plans, I also supervised several employees. I have also worked as a youth counselor in New York City with low-income families and at risk children. I have always been dedicated to enriching the lives of all of my students. My main goal is to introduce a love of learning and of school. I promise to teach, not only academically but also socially and spiritually from the heart. I am definitely looking forward to another wonderful and fun-filled 2023-2024 school year here at St Jerome's Preschool.

Mrs. Ileana Mohammed
