For review: you can also go on abcya.com and startfall.com

Pick two sight words and write a sentence for them.

Reading Notebook: workbook page 45

Readers Notebook: Instructions on how to get on the page.

Click on the website

Find the column that says Readers notebook Click on it

Then click on Kindergarten

Then click on volume 2

Then click on the blue arrow that is on the right-hand side until you get to the right page.

Unfortunately, you cannot print the page.

Please write down on the paper the child's name and the page number you are working on. Then write the number and your answer and so on.

Website for the Readers notebook: Copy and paste into the address box
