November 11, 2020

Dear SJRS Family,

As the Thanksgiving holiday approaches, we remain thankful that we have been able to begin another great year at St. Jerome Regional School. Although there were many changes made, our school family has remained vigilant and positive during this pandemic. Over the break, many families will gather and celebrate together. We ask that our school families stay safe and continue to practice the recommended guidelines. We have had some families inquire about our virtual option for a limited time. We would strongly encourage any students who travel or have family members visit to opt into our virtual model for 7-14 days after the holiday break. This is in addition to the PA Health Department's travel restrictions that we continue to follow. This preventative and proactive measure will help continue to keep our staff and students safe. It is our goal to remain in-person and in order to do that, we need to continue to stop the spread by all means possible. Our main focus has always been the health and safety of our entire school community and we appreciate all the support and kindness as we continue to navigate through this unprecedented time. If you would like your child(ren) to be temporarily virtual after the Thanksgiving Holiday, please contact the office by next week so we can make the necessary arrangements.

For more resources, please reference the Covid-19 tab on our website and also please continue to use the daily student health checklist.

As always, we pray that God will watch over all of us, especially those most vulnerable during this time.

God bless,

Mrs. Amy M. Hannis-Miskar, Principal
