Wait List

Should any applicants (new or current) apply for enrollment in a class that has already been filled for the next year, they will be given an application for that class' wait list. The registration fee is still due with the application, but will be refunded if no spots become available by the first day of school.

Note for All Existing Families

Enrollment is contingent on all financial obligations being met. Failure to satisfy financial obligations for the current school year may result in the loss of reserved space for your child(ren) and that space being made available to those on a waiting list.

I fully accept and understand the above information along with my financial obligations to St. Jerome Regional School:
