SCHOOL BUS POLICY

Center St. (by steps), Oak Street, Old High School
Elementary School, Columbus Corner, Ratcliff/Railroad St. Corner

Adopted January 13, 2011 Agenda

School bus transportation is an extension of the school system, the standards set by the school system and the standards set by the School Board, which should be carried over into the school bus. The use of bus transportation to and from school is a **PRIVILEGE**, not a right. Students must abide by established rules and regulations concerning conduct on the buses. If the conduct of a student while riding a bus is such that it jeopardizes the safety of others, or is otherwise obnoxious or undesirable, this privilege may be denied. Acting on the recommendation of the bus driver supervisor and/or a bus driver, the building Principal, Disciplinarian and Superintendent has the authority to suspend or dismiss a student from riding a school bus. All students must ride the bus to which they have been assigned. A Parent or Guardian may request to change an assigned bus stop, but can choose only one (1) stop. During the school year students will be picked up and dropped off only at an approved stop. A Parent/ Guardian can have students picked up at one stop in the A.M. and dropped off at another in the P.M.

In emergency cases, students may get on/off buses at another stop only with written permission from the parent/guardian which has previously been presented to the building Principal or the Business Manager for approval. If approved, a school district permission slip signed by either the Building Principal or the Business Manager must be presented to the school bus driver prior to boarding the bus. If the approved bus schedule cannot accommodate additional passengers the privilege can be revoked.

The following will not be accepted as emergencies: parent/guardian jobs, baby sitters, birthday parties, hairdresser appointments, visiting friends after school, student jobs, etc.
