

Dear Second Grade Virtual Students and Families,

Welcome to Second Grade! We are so excited that you have decided to continue your education virtually at SJRS. This flyer will provide you with information about your virtual classroom and expectations for participation. If you have any questions please contact us.

Google Classroom: Daily announcements and assignments (classwork, homework, and tests) will be posted on Google Classroom. We will be using other websites to support virtual learning (Dreambox & Stemsopes). The directions when using Dreambox and Stemsopes will be posted on Google Classroom. We also will be utilizing workbooks, worksheets, copybooks, and at times other resources.

Supplies: You will be given a Reading hardcover, along with all workbooks and copybooks, that will be used throughout the school year. If additional worksheets are assigned, they will be posted on Google Classroom for you to print. Each virtual student will receive a bag of school supplies that were purchased with the supply fee. If at any time your student transitions back to in person learning, all supplies, books, and resources need to be returned to school.

Daily Attendance: Daily attendance will be taken through Google Classroom. The Check-in form must be completed daily and will be used as the attendance tracker. If Check-in is not completed for that day, your child will be marked absent. Please refer to the information that is posted on the SJRS website (SJRS Remote Learning Summary, Q&A and Responsibilities Sheet 8-17-20).

Office hours: If you have a question about an assignment, please email us and we will respond by the end of the school day. We do not always have time to check our emails once the school day starts. You may also call the school office and leave a message for us if it is something that we need to know before the end of the school day.

Tests: Tests will be submitted through Google Classroom. Most tests will be taken through Google Classroom, however some tests will be taken through paper and pencil. We will give directions for these types of tests when needed.
